# Welcome note

## Welcome to the National Education Show & National ALN/SEND Show 2025!

Now in its tenth edition, this landmark event returns, bigger, bolder, and set against the stunning backdrop of Venue Cymru, Llandudno.

Join education professionals on Friday 13th June for a day of networking, innovation, and inspiring CPD accredited seminars, including sessions delivered in Welsh. Bursting with practical ideas and real-world solutions, this is a celebration of education you simply can't afford to miss!

We hope you enjoy your day with us, and don't forget to come and say hello!

## Working with:

# A Wellbeing Focused Future

Supporting students, staff and success in your school communities.

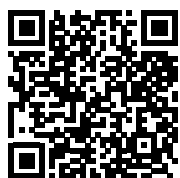

**We're Compass Education – a trusted MIS partner on a mission to help learning thrive.**

From streamlining data to supporting student wellbeing, everything we do is designed to make the school day more productive, more impactful, and more enjoyable for students, educators and parents.

We asked independent researchers to conduct a nationwide study that reveals the growing mental health crisis among school-aged children in Wales. Here's what we learned – and how we're responding.

## Why Wellbeing Can't Wait

Uncover more insights about student wellbeing in the full report "Disturbing currents: Wellbeing and mental health of children in Wales".

# Chronicle: Wellbeing Support That Works

Chronicle is Compass' dedicated wellbeing module – built into your school's MIS. It helps track, respond to, and proactively support student wellbeing, all in one place.

Track behaviour, attendance, lateness, medical and wellbeing alerts

Trigger instant, automated notifications to staff and parents

Record detentions, celebrate wins, log concerns

Two-way parent communication via the Compass app

Discover how we're helping schools reduce administrative burden, support student wellbeing and improve communication across the entire school community.

"Compass has transformed the way we operate - streamlining tasks, improving communication, and giving us more time to focus on what truly matters: our students."
