WHAT OTHERS
THOUGHT OF THE SHOW

"For the last four years the National Education Show has given every member of our staff access to high-quality, bilingual, accredited CPD that drives whole-school improvement."

"Strategies we gained through NES seminars in behaviour, wellbeing, ALN and teaching and learning are now fully embedded in our school improvement plan."

"Since attending NES we've seen stronger staff wellbeing, more consistent behaviour management and greater confidence in supporting ALN learners."

"The NES Show has inspired new classroom practices across our school, including wellbeing check-ins and restorative approaches."

"Our staff now cascade their NES learning internally, delivering follow-up sessions and sharing best practice across the school."

"NES has become a core part of our annual CPD calendar because the impact reaches far beyond the day itself."

"The benefits of attending NES now extend across our cluster and regional partners, supporting a shared culture of bilingual, values-driven professional learning."
