Welcome note

Welcome to the National Education Show & National ALN/SEND Show 2025!

Now in its eleventh Show, this flagship event is back, bigger, more impactful and right in the heart of Cardiff City Centre! On Friday 3rd October, join education professionals from across the sector for a full day of networking, innovation, and CPD-accredited seminars with selected sessions delivered in Welsh. Packed with practical strategies and real-world solutions, this dynamic event is a true celebration of education and one you simply can't afford to miss. We can't wait to welcome you and don't forget to come and say hello!

Education in Wales is evolving

Take the next step with someone you trust

The third and final wave of new National 14-16 Qualifications for Wales is almost here, with first teaching beginning September 2027.

We're building upon everything we've learned from co-creating our Made-for-Wales GCSEs, engaging with over 100 centres and 60+ employers to develop an inclusive, broad and balanced range of new qualifications that will enable different ways of learning and skills development.

Our new qualifications:

- Personal Project
- Skills Suite (Skills for Life and Skills for Work)
- Foundation (General and Work Based)
- VCSE (Vocational Certificate of Secondary Education)

Join The Digital Reading Record Revolution

The award-winning digital reading record used by thousands of teachers, parents and pupils across the UK and beyond.

Designed to motivate students to read more and enjoy reading.

Provides school staff with a simple yet powerful platform to record and monitor home and school reading.

Unlocks schools' reading data and provides insights that are not achievable with a paper reading diary e.g. compare pupil-premium readers and non pupil-premium readers.

Features:

- Accessible on any device with an internet browser or via our parent app.
- Reading logs are quick and easy to record and track.
- Inbuilt reward systems to encourage frequent reading.
- Quick and easy to set and manage individual and whole-school reading targets.
- Deep dive school reading data with our Data Dashboard add-on and compare reading habits of different student demographics.
- And much more...

“
BoomReader has been a really helpful tool in supporting home and school reading. It has made tracking and celebrating reading more efficient and accessible...”

Overall, a great platform that supports reading culture and saves valuable teacher time.

HELPING STUDENTS THRIVE: SIMPLE SKILLS TO TRANSFORM MENTAL HEALTH IN EDUCATION

The Role of DBT in Supporting Student Mental Health

Do you see students struggling with stress, emotions, or friendships and wish you knew how to help?

Every day, teachers and school staff witness the silent struggles of students: anxiety, low mood, overwhelm and social conflict. You want to help, but often the 'how' isn't clear. **Dialectical Behaviour Therapy (DBT) Skills for Educators™** gives you that 'how'. Practical, evidence-based tools you can start using straight away to make a lasting difference.

What is DBT? – The Four Life Skills Every Student Needs

What if there were simple, teachable skills every student could use to stay calm, focused, and connected? DBT isn't just for therapists. It's a set of teachable life skills proven to help young people manage emotions, cope with stress, and get along with others. The four DBT skill areas are:

Mindfulness – helping students pause, focus, and be present

Distress Tolerance – giving them tools to stay calm in tough moments

Emotion Regulation – showing them how to understand and manage strong feelings

Interpersonal Effectiveness – equipping them to communicate well and build healthy relationships

These skills don't just help with mental health—they improve behaviour, focus, and readiness to learn.

DBT in Education: Real-World Impact

Can you imagine a calmer, kinder culture for both students and staff?

DBT is making a difference in classrooms right here in the UK. Recent studies, including UK-based trials of DBT STEPS-A, show just how powerful these skills can be in educational settings. And it's not just the pupils who benefit. Educators trained in DBT skills often say they feel more confident and less stressed when managing difficult situations, because they now have clear, practical tools to use. Schools that have introduced DBT programmes report:

- Fewer emotional outbursts and incidents of dysregulation
- Students with stronger coping mechanisms for everyday challenges
- Better peer relationships and a more supportive classroom climate

Whether rolled out universally (so every student learns the skills) or as a targeted intervention for pupils who need extra support, DBT has the same goal: building resilience, compassion, and healthier learning environments.

Who Can Benefit?

Every Student. Every Classroom. Every Educator.

DBT isn't limited to one age group; it can be adapted from Key Stage 3 right through to Higher Education, giving young people the tools they need to thrive at every stage.

- **Secondary Schools** – supporting friendships, emotions, and exam stress
- **Sixth Form/College** – building resilience, independence, and workload coping
- **Higher Education** – preparing for adult life, deadlines, and independence

Even one trained staff member can spark this ripple effect, spotting distress early and giving students lifelong skills.

@SioeAddysg

Rydym yn cefnogi ein cymunedau addysg trwy ddarparu cymwysterau dibynadwy a chefnogaeth arbenigol, er mwyn rhoi cyfle i'n dysgwyr gyrraedd eu potensial yn llawn.

Mae'r Cynogor Llyfrau yn elusen genedlaethol sy'n cefnogi'r diwydiant cyhoeddi yng Nghymru. Effen bwysig darllen er pleser. Rydym yn gwneud hyn nid yn unig drwy sicrhau llyfr cyson o gyhoeddiadau ond hefyd drwy drefnu gweithgareddau arbenig sy'n datlu darllen er pleser mewn ffordd cyffrous a chyraeddadwy.

Urdd Gobath Cymru yw mudiad ieuencid mwyafr Cymru. Ein nod yw sicrhau cyfleoedd a phrofiadau, trwy gyfrwng yr iaith Gymraeg, i holl ieuencid Cymru ddabwgu'n ddinasyddion cyflawn hyderus. Rydym yn fudiad unigryw sy'n cynnig profiadau a chyfleoedd amgylchol i blant a phobl ifanc yng Nghymru.

Mae gan yr Ysgol enw da ym maes hyfforddi athrawon, datblygiad profesiynol ac arweinyddiaeth. Mae hyn yn galluogi graddediogion o'n rhaglen i ddiwallu anghenion ysgolion a chyffwrdd cysylltiedig ag addysg gan ysbrydoli ac arwain newid ledled Prydain a thu hwnt.

NAHT yw'r undeb a chyndeithas broffesiynol ar gyfer uwch arweinydd ym maes addysg. Rydym yn arwain i ddarparu a rhoi cefnogaeth gwerth i helpu i gefnogi a gwarchod eich rôl. Ymunwch heddiw.
